## Discover New Zealand

Extend your stay either side of the conference and explore our magnificent country.

From majestic fiords and alps in the South Island to the native forests and sandy beaches of the north, New Zealand is full of stunning landscapes, unique flora and fauna, and unspoiled countryside. Between the wide open spaces, vibrant cities and towns offer all the experiences of a modern and sophisticated urban lifestyle.

There is a rich indigenous Māori culture entwined with a melting pot of cultures from around the world. New Zealanders are friendly, independent, free-spirited and welcoming. There is nothing we enjoy more than showing overseas visitors 'our place' in the South Pacific.
